About the program: *Music Together!* is a 6 week program based on the “Sing With Me” Family Music *Musikgarten* curriculum and is for ages 6 months to 4 years old. Musikgarten classes are a fun and wonderful way to engage caregiver and child in music, language and social interaction. Through singing, moving, listening and playing percussion instruments, children develop a strong foundation in music, coordination, and language skills. This program is being introduced to create intergenerational setting to give sense of purpose to seniors and to foster an “adopt a grandparent” atmosphere through music, movement and fun.

About your teacher: Barbara Githens is a certified, licensed Musikgarten teacher with a love for music and children. She has been teaching this program for three years and has enjoyed watching the musical and cognitive development of all her students! Besides teaching Musikgarten classes, she teaches private voice and piano lessons out of her home in Schaumburg and is involved in many musical activities within community and her church.
